Dear Mr. Berend:

Thank you for taking the time to talk with me last Friday. As you recall, I asked if it would be possible for Director Colby to prepare for our next monthly newsletter a brief essay of 200-300 words (more of a statement, actually) including the following points: 1) the positive contribution of the CIA; 2) the need for an intelligence system; (re: international ideological conflict); and 3) the future of the American intelligence system.

I am enclosing copies of our last four newsletters to give you a better idea of what we need and what we are doing.

Thanking you again for your time and assistance, I am

Yours truly,

Barry Cooperstein
